Bids will be received by the Town of Dauphin Island at the Dauphin Island Town Hall located at 1011 Bienville Blvd. Dauphin Island, AL 36528, until Tuesday, May 7 at 10:00 AM local time. At that time the Bids received will be publicly opened and read. The Project includes the following Work:

The WEST END LINEAR DUNE FEATURE PROJECT (PROJECT) consists of constructing three (3) driveway ramps across three (3) separate existing public beach access driveway entrances located along Bienville Boulevard. The streets to be ramped higher in elevation include Saint Stephens Street, Sam Houston Street and Sehoj Street. Construction of ramps include furnished and placed embankment fill consisting of clean sand that will be capped with limestone base aggregate material. All locations will include timber posts placed at uniform spacing to delineate vehicular drivable aggregate area. Portions of constructed embankments outside of aggregate roadway areas shall be vegetated with sea oat plugs. One location includes construction of a required gravity block retaining wall so that existing utilities can be maintained. Each street ramp location shall be bid Lump Sum.

Bidding documents may be obtained from the Issuing Office. The project will be awarded based on a BASE BID and two DEDUCTIVE ALTERNATIVES.
