5/16/2024

The Town of Dauphin Island is seeking qualified individuals or businesses to paint entry doors at the Dauphin Island Community Center (DICC). There are a total of 4 double doors and 1 single door

The work includes the complete preparation, priming, and painting of inside and outside of all exterior doors and frames at the Dauphin Island Community Center located at 412 LEMOYNE DR DAUPHIN ISLAND AL 36528.

A site visit is required

A Dauphin Island Business license is required

Scheduling must be coordinated with the DICC Manager Jill Pope at 251-487-6110

The doors will require sanding and metal treatment for existing rust in some areas. Products such as "OSPHO", "Rust Reformer", or equivalent shall be used. After proper preparation, Sherwin Williams B50AZ0006 metal primer (gray) shall be applied. Finish coating shall be a minimum of two coats of Sherwin Williams B53W02151 paint.

The Town of Dauphin will identify the desired finish color as soon as possible.

A list of materials and quantities including abrasives, chemicals, and all paint shall be required at the time a written quote is provided. The Town of Dauphin Island will provide all materials required. The price quote shall be for labor only.

For questions or to arrange a site visit please contact Rich Colberg at 847-400-6369.
